

## AIRFEET® CLASSIC INSOLES

There is a direct connection between how you feel on your feet and how you focus on your job. Distractions due to pain, fatigue and exhaustion create a high risk for accidents. AirFeet® features dynamic technology that is super thin to fit into all types of safety footwear, providing comforting relief to the challenges of fatigue and work-related injuries.

- ◆ Ergonomic design for comfort, fatigue, back, hip, knee and foot pain
- ◆ Naturally fits steel toe & safety footwear
- ◆ ASTM F1614 shock attenuation tested
- ◆ Absorbs and disperses impacting energy in milliseconds
- ◆ Designed to maximize balance, responsiveness & recovery
- ◆ 2MM thick to fit all footwear, no need to remove existing insole
- ◆ Interchangeable, machine washable and reversible for maximum life
- ◆ Natural odor protection M.A.P.
